REQUIREMENTS FOR BOARDING

1. All Pets left for Boarding must be current on all required vaccinations and free of fleas and ticks, and intestinal parasites, or they will be treated on admission or during stay at owner's expense. All pets are inspected by our healthcare team at check in/in-take.
2. Personal items may be left at your own risk. We are **NOT** responsible for loss or damage items. We strongly recommend not leaving beds or blankets as these can be hazardous if left unsupervised. A separate form is required to bypass this step.
3. If a tranquilizer/sedation is necessary for treatment or handling, Northwood Animal Hospital has my permission to administer such medication at owner's expense.
4. Pets may be picked up between 8:30 am and 5:30 pm Monday through Friday, and between 8:30 am and 11:30 am on Saturday when no baths are given. And if a bath is given, all pets go home after 4 pm or else we will not be able to guarantee our bath services. NAH reserves the right to refuse bath services for the safety of pets and staff.
5. If during your pet's stay he/she requires medicine or he/she runs out of medicine left at check in, and our staff attempted to contact you with the information we have on file and were unsuccessful, and our Doctor's deemed the medicine to be a must for your pet's wellbeing, NAH will dispense and administer such medicine at owner's expense.
6. I understand that if I have multiple pets within my household, this form shall apply to all my pets with in my Household and Profile.

I have read the boarding requirements and understand the hospital's policies and charges.
